

Greenhouse Committee Meeting minutes, December 4, 2014

Present: Alan Christensen, Amy Hilske, David Jackson, Scott Sattler, Lance Meinke, Keenan Amundsen, Stephen Wegulo, Aaron Lorenz, Matt Anderson, Ed Cahoon. Absent: Anne Streich

The minutes from the meeting on October 23, 2014 were approved.

Updates and Announcements:

Amy reported that she was in the process of hiring the two Greenhouse managers and a research technician for Donn and Ruth to share.

Amy reported that she was waiting for an estimate for removal of old growth chambers. The Beadle growth chambers should be ordered soon.

The Lemnatech for NIC should be installed in early 2015.

Renovations of East Campus greenhouses A and E is underway.

Old Business:

Learning Environment Subcommittee:

Anne is putting together a survey that will be used to gather input.

User Training

It was decided to have an annual session. Amy will attend meetings of faculty in relevant departments to inform them of the session and answer questions.

Greenhouses.unl.edu

Web site looks good. Biosafety level 1-P should be clarified on space request form.

Committee structure

The committee was in general agreement with the suggested structure. Minor changes were suggested to the document that was circulated.

New Business:

Alan and Deb will survey the committee regarding the scheduling of spring meetings.

The meeting was adjourned.

Respectfully submitted,
Alan C. Christensen, chair
