

Greenhouse Team Updates

May 2015

In the recent months, we have had many changes to our UNL Greenhouse Team.

UNL Greenhouses at the Beadle Center

Samantha Link was hired as the Greenhouse Manager at the Beadle Center.

Kandy Hanthorn was recently hired as the Assistant Greenhouse Manager at the Beadle Center.

Shari Tomasek is the Beadle Center Research Technician for the greenhouses.

Greenhouse Innovation Center at Nebraska Innovation Center

Troy Pabst was hired as the Greenhouse Manager at the Greenhouse Innovation Center.

Troy is currently on Military Leave. I am serving as Greenhouse Manager until I go on Maternity leave in the next week. While I am on leave, Samantha Link and Vincent Stoerger, Plant Phenotyping Facilities Manager, will work together to maintain greenhouse operations.

Plant Pathology Greenhouses on East Campus

Donn Ladd is the Greenhouse Manager at the Plant Pathology Greenhouses.

Cole Weston was recently hired as a Research Technician for Plant Pathology & AgHort Greenhouses.

Agronomy & Horticulture Greenhouses on East Campus

After a brief illness, Ruth Miller, Greenhouse Manager, passed away a few weeks ago.

We are working to hire a new greenhouse manager to refill this position. Donn Ladd will oversee these greenhouses as well until a new manager is hired. Please contact Donn during this transition, if you have any questions or concerns.

David Orr is a Research Technician at the AgHort Greenhouses.

Cole Weston was recently hired as a Research Technician for Plant Pathology & AgHort Greenhouses.

During my maternity leave Donn, Samantha, & Hector can help with any questions you may have.
