Approved (department chair/head): Date:

(Please note the Second Page)

Application Procedures

- Attach **TWO PAGES** to the application form. At the top of the **first** page, list the title of your presentation or paper. Next, list the names of all authors in the order these were submitted to the meeting sponsor. Put an asterisk after the name of the actual presenter. (Travel funds are available for the presenter – not the other authors.) If you are making more than one presentation, list only the one that you feel is your most significant contribution. Indicate the date and time of an oral presentation or the date and time you are scheduled to be present for a poster presentation.
- Use no more than one half of the first page to describe the substance of your presentation. Do so in a manner that will allow the Whitmore Travel Committee to grasp the originality and significance of your scholarly work. Emphasize results and implications rather than objectives and procedures. Avoid technical jargon. Do not exceed the half-page limit.
- The **second** attached page should be a copy of the abstract as submitted for the meeting.
